Re: **File No. 4884, Hardware, Software and Installation of GPS Units, Addendum No. 1**

Question

Does the City want to use your own GIS Data or is Google Maps sufficient?

Answer

Google Maps are sufficient

Question

Has this project received funding approval?

Answer

Funding has been approved for up to 25 GPS units. The City may at its discretion install an additional 75 units depending upon the availability of funds.

All other details remain the same.
